

Terms and Conditions

These terms and conditions relate to our iTunes Mixing & Mastering service as described on <http://bombshed.co.uk/#/mixing-mastering/4559328458>.

1. What we do for you -

We will mix and master your recording to the highest possible standard, using our DAW setup. We will then publish the final master to iTunes using www.dittomusic.com as our digital distributor. From this publishing, we will take 100% of the profits in order to recoup the money lost in this 50% discounted special offer. We will also provide you with copies of the final production in 16-bit or 24-bit 44.1kHz wav format and as a [DDP image](#) suitable for CD duplication.

2. What you must do -

Once completed, you are then free to release your copies of the final production as you wish. However, you will not be able to distribute your copy of the final production for sale on iTunes without the permission of Bombshed Music and you must not offer free download of this production, since this would discourage paid download from iTunes. Further to this, you must not discourage anyone from downloading Bombshed Music's copy of the final production from iTunes and must actively promote it, in a way deemed acceptable by Bombshed Music, when asked by any employee of Bombshed Music.

3. Amendments -

We reserve the right to update these Terms and Conditions from time to time without notice.

4. Miscellaneous -

If you do not wish to accept the Terms and Conditions you should not complete the iTunes Mixing & Mastering Form or inquire about this service in person.

You may not assign, sub-license or otherwise transfer any of your rights under these Terms and Conditions.

If any provision of these Terms and Conditions is found to be invalid by any court having competent jurisdiction, the invalidity of that provision will not affect the validity of the remaining provisions of these Terms and Conditions, which shall remain in full force and effect.

If you breach these Terms and Conditions and Bombshed Music ignores this, Bombshed Music will still be entitled to use its rights and remedies at a later date or in any other situation where you breach the Terms and Conditions.

Bombshed Music shall not be responsible for any breach of these Terms and Conditions caused by circumstances beyond its control.

A person who is not a party to these Terms and Conditions shall have no right under the Contract (Rights of Third Parties) Act 1999 to enforce any term of these Terms and Conditions but this shall not affect any right or remedy of a third party which exists or is available apart from that Act.

Failure to read these Terms and Conditions does not void anyone using this service from any responsibility.
